ANS READY FOR MEET TO CHOOSE CHIEF

Rejuvenation of Party Will Be Undertaken At National Gathering

OTTAWA, April 11.—About 1,000 leading delegates will assemble in Ottawa July 5, 6 and 7 for the national Conservative convention at which a new leader will be chosen to succeed R. B. Bennett and President of the party.

Decisions as to date and place were completed Saturday at a meeting of the convention committee under joint chairmanship of John R. MacNicol, member Toronto-Davenport, and Maurice Dugas of Quebec, former cabinet minister.

Direct encouragement to young Conservatives was indicated in the qualifications agreed upon for delegates, which provide for 38 delegates-at-large representing the youth of the party, one each from Quebec and Ontario, and three each from the other provinces.

Mr. Bennett, whose retirement because of ill health, was announced last year, was expected to appear in March, called the committee together and addressed them.

Japan Is Topic Of Fascinating Travel Talk

A Canadian delegate to a world conference of more than 3,000 educationalists held in Tokyo, Miss Maimie Simpson had unique opportunity last summer for an intimate glimpse into the lives and customs of the Japanese and shared some of her experiences with members of the Women's University Club on Saturday when she addressed them on "Glimpses From Japan." BANK CASHIER, 91, SCOFFS AT THEORY OF YOUTH'S SWAY

NEWCOMERSTOWN, April 11.—This talk about a young man's world and early retirement for older men doesn't mean a thing to Theodore F. Crater.

At the age of 91, he works daily as cashier in a bank.

Born in Newcomerstown, he remembers when the old Ohio canal was the main artery of trade until the first railroads were built in the state. When he was 18, Crater enlisted in Co. H, 178th regiment,

Chio Volunteer Infantry, and saw service in the Civil War.

Later, he clerked in a general store for 20 years. In 1883, he became a partner with W. P. and George W. Mulvane and founded the Oxford bank, which has maintained his business address to the present day.

FOSTER HEWITT
WILL BE HERE
ON MAY 30, 31

Canada's Ace Sports Commentator to Officiate at Big Radio Revue

Children of Edmonton will be all smiles when they learn that Foster Hewitt, famous sports announcer, will be in Edmonton Monday and Tuesday, May 30 and 31 to act as master of ceremonies at the Empire theatre on those dates.

And all the kiddies at the Kiwanis Children's Home, to which all the proceeds from the review will go, were delighted too that Foster is coming to help them.

The Inquiring Reporter

It is a mark of servility and inferior status for Canada to remain the Privy Council as the master of ceremonies at the review which will climax the Bulletin's search-for-school-student radio contest.

Plans for the review, one of the most spectacular events in the city for many years, were advanced by the appointment of a committee comprising prominent members of the Kiwanis club to look after the event.

COMMITTEE IN CHARGE

The committee consists of Harry W. J. Macdonald, club president; Thomas N. Dwan, club secretary; A. Hook, Ansel A. Dower, F. G. Winger, C. W. Giller, D. W. Hicks, Alex. Rastel, Ed. F. McGraw, W. B. Truett, Hans P. Nielsen, Wilmer M. Powell, Harold E. Merrick and Mrs. Stapp.

Mr. Hewitt will arrive in Edmonton Monday morning, May 30, and will be met by Kiwanis members at the depot. He will also address the club at its luncheon meeting in the Macdonald hotel that noon.

Courageous Christianity Among Men Is Only Hope For World Betterment, Rev. E. T. Scragg Declares

The challenge of Christianity to the world is to have courageous men and women dare to live according to the principles of their faith and to mould the world according to those doctrines, Rev. E. T. Scragg, of Wesley United Church, declared Sunday afternoon.

Challenges

He was speaking over CFBN in the good-will, interdenominational program known as "Sunday Message" sponsored by The Bulletin.

Rev. Scragg's sermon followed the reading of the New Testament at 3:45 p.m. Rev. A. McLeod of Robertson United Church will deliver an Easter Sunday message over CFBN on this program.

Complete text of Rev. Mr. Scragg's sermon follows:

Some years ago when our western and cultured governor general was unknown as John Buchanan, he wrote a book, entitled "The Last Secret." In the preface the author says: "There are no more unvisited forbidden cities, or unapproached high mountains, or unexplored horizons. The world is disenchanted, the morning freshness has gone out of the world. Not often does this famous veil dip his pen in a way of pessimism."

He himself has stated since then many new worlds of interest and charm. It may be true that the world has been opened up, but the city of Lhasa is no longer a mystery, that if men have thus far failed to reach the top of Mt. Everest, they have flown over it. The days of the pioneer are over. The world is no longer a mystery. The days of the pioneer are over. The world is no longer a mystery. The days of the pioneer are over.

EXTENSION OF JASPER PARK ROAD MOOTED

The Alberta Motor Association is eager to have the Jasper Park highway extended to the west boundary of Mount Robson in British Columbia so that Edmonton may have direct access to the Pacific coast.

Until the transfer of Mount Robson park to the federal government takes place, it will be impossible to do this, he explained.

Free then fifty miles on the route from Jasper to Blue River will be built to make this highway a complete link with the coast, provided other stretches of the road are improved.

Charles H. Grant, K.C., president of the motor association, when the body of British drivers met on May 7 at Prince George, summoned to consider means of facilitating the construction of the highway. John Blue, secretary of the Edmonton Chapter of the Canadian Automobile Association, also has been asked to address the meeting.

Attending the conference will be the Prince George and McBride Boards of Trade, Farmers' Highway Council, and the Landowners' Association.

I Saw Today

JERRY BRICKER on Jasper avenue east, discussing aviation with a friend;

AND George Gleave on McDougall avenue recalling with a friend the Vimy Ridge commemorative events of Saturday; Earle Hay turning north on the same thoroughfare from Jasper; Alfred J. Howe, M.L.A., walking east along Jasper with a friend; Charles Chausse in the central section of the city; Alex. Cameron in the same section; Charlie Britte leading east along 97 avenue; Donald Ross in the vicinity of the McDonald hotel; Harry Norstrom entering the Imperial Bank building; A. A. Menzies conversing with a friend in front of the same institution; Jim Williams standing north along 101 street; and George Bryson taking a constitutional along 103 street.

57 ABOVE ON SUNDAY HIGH MARK IN CITY

Sunshine loomed on its usual spring magnetism over the week-end, drawing crowds out in the open air to sniff the balmy breezes. Sunday drivers got in some early practice for the coming summer season on the highways out of the city, as the mercury climbed to 57 above the zero mark, the highest reading in the near north. While the majority of the readings in the area were around the low thirties, McMurray slumped down to 18, the lowest for the lowest mark of the region.

The far north is still holding above the zero line, the closest to it being Fort Simpson, with 30 above. Dawson and Mayo were higher in the area early Monday morning at 22 above.

Farmer Ordered To Vacate Land Within 2 Weeks

Finding that Lazar Sandulak, Willington district farmer, had made little effort to pay his debt, Mr. Justice A. F. Ewing, in support of the plaintiff, has ordered the farmer to vacate a quarter section surrendered from Philip Singer, Edmonton Postman, must be given up within two weeks, the court ordered.

Sandulak, who is at present in jail awaiting trial on a charge of stealing a quantity of barley, has failed to pay taxes for years, has retained the land since and refused to although required by the terms of his lease-agreement to do so, a third share to the landowner.

It was stated by George Parney, solicitor for the plaintiff, that the Alberta Debt Adjustment Board had investigated the debtor's affairs and had refused to give him protection under the provisions of the "Debt Adjustment Act."

Army Plane Crashes

TOWNSHIP, Pa., April 10.—An Army plane crashed in a storm Sunday night, killing a lieutenant and three soldiers, according to reports from the military authorities.

The plane, a biplane, crashed into a field near the town of Towship, Pa., and caught fire. The pilot, Lieutenant E. B. Selfridge, and three soldiers were killed.

The plane was on a training mission and was carrying a full load of ammunition.

LT. COL. DEVEY IS SPEAKER AT VIMY BANQUET

Edmonton Military Institute's Commemoration Dinner Well Attended

Taking as his subject, "The Canadian Soldier's Last Call," Lt. Col. C. W. Devey, L.S.M. (R.C.), of Calgary, was the guest speaker at the annual Vimy Ridge commemoration dinner of the Edmonton Military Institute in the Prince of Wales Armouries Saturday night. His Honor the Lieutenant-Governor, Hon. J. C. Brown, also attended.

Challenges

It was in this same month two years earlier, he said, that the official capacity and as an ordinary member of the institute, made a speech in which he expressed his confidence that the "spirit of Vimy" would carry the Canadian people through the troublous times ahead.

Referring to the early days of the war, when the Canadian troops first met the test of battle, Col. Devey said that he imagined Sir John French saying to his staff, in the idiom of the day, "Thank God, the Canadians are here."

His Honor the Lieutenant-Governor, who was present both in his official capacity and as an ordinary member of the institute, made a speech in which he expressed his confidence that the "spirit of Vimy" would carry the Canadian people through the troublous times ahead.

FOURTH ARM

L. Y. Cairns, K.C., was glad to be present, he said, both in his capacity as president of the Chamber of Commerce and as one who was "over there" and "knew what it was all about."

In introducing Mr. Cairns, Col. Hugh Watson, V.D., the chairman, remarked that the institute was now officially recognized as the "Fourth Arm."

Major A. Lyndell, who headed "The Canadian Expeditionary Force," speaking on behalf of the institute, expressed his confidence that the "spirit of Vimy" would carry the Canadian people through the troublous times ahead.

He took the body to the police station and it was taken to Foster and McGraw's Undertaking parlors.

Ask Enforcement Of School Clinic

To request that the school clinic be immediately enlarged and improved, and also to ask that examination fees for children of employed and low paid workers be eliminated, a delegation from the Edmonton School Board met with the Edmonton School Board on Tuesday.

Vancouver Westerns Down Raymond Jacks

Speedy Combination Of Youth and Experience Wins Way To Series Against Saskatoon Hoopsters

RAYMOND, Alta., April 11.—Vancouver Westerns, British Columbia's newest hockey machine, moved on to Saskatoon and the western Canada semi-final in the men's Dominion basketball playoffs for the team they hope to retain another year for the coast province.

A speedy combination of youth and experience playing their first year together as a team, Westerns took the night to mere Saskatoon Grads by downing Raymond Jacks 27-21. It was Westerns' second victory in the two-game total points series and gave them the round 80-77 by virtue of their 40-35 triumph here in Friday night's opening game.

The western Canada semi-final game at Saskatoon next Tuesday with the second game of the total points series set for Thursday. The winners will move to Winnipeg for the final with the Manitoba champions.

Seeking the crown held last year by University of British Columbia, the Vancouver Westerns, who were forced to come from behind to register their victory, the count was tied 9-9 at the end of the first quarter, and United Jacks held a 22-17 lead at half time.

Taylor, Snort Star As Seals Edged Out

Generals' Centre and Wingman Feature In All Goals—Stanowski Makes Big Hit With Toronto Fans

By RICHARD SHERIDAN
TORONTO, April 11.—It was the east's victory but the west drew the honours when Oshawa Generals defeated St. Boniface Seals 3-2 in the first game of the Memorial cup hockey finals here Saturday night.

And most of the buzzards that burst from the throats of the 9,500 present were evoked by whirling Wally Stanowski, Seals' 18-year-old telephoned. Even the rabid Oshawa rooters were compelled to cheer this demon speedster, whose ghost-like rushing left the fans gasping.

With Stanowski setting the pace the other players produced super efforts and the contest, for speed and thrills, surpassed any amateur event—most here professional—seen in this season.

PLAY AHEAD TUESDAY
Second of the best-of-five series will be played here Tuesday night, with the third Thursday and a fourth necessary—Saturday.

Bill Taylor, Generals' centre, matched Stanowski's brilliance and overhauled him in actual play. Taylor figured in all three Oshawa goals, scoring one and two before Snort's short for the other two.

Here Burrows, who centres Seals' second line, scored his team's two goals, both on 10-foot drives from in front of the net.

It was a costly victory for Generals, who lost services of Don McAvish. This dependable defenceman fractured his right wrist in the hectic first period and will be out for the remainder of the series.

A parade to the times started with the drop of the puck in the opening period, in which Oshawa outscored the westerners 3-0 on the score sheet and 3-4 on the penalty sheet.

WEBB WAS WOOLY
Taylor opened the scoring at 11:19 when he beat goalie Doug Webb on a five-foot flip shot. The Oshawa centre was flanked by Ross Knudsen on his left and Snort on his right.

Knudsen on his left and Snort on his right. Taylor gave the puck to his teammate and continued on around the left defence to pick up a return relay. He waited for Webb to make the first move before firing.

Four minutes later Lou Brunel broke clear from a St. Boniface power play. Webb dropped to his knees to stop the shot but Al Thorn, who trailed Brunel, shoved the goalie and sent the left defence to pick up a return relay. He waited for Webb to make the first move before firing.
